I am in a 3 man room, I have requested to be moved numerous times, but I have been told no. It is as I am being punished or something. I have gotten into verbal arguments with several roommates and I have told them that I have anxiety, PTSD, and depression. My roommates, start making noise when I'm on my laptop. My roommate (b)(6) has a parasitic infection on his legs, and he continually scrapes the skin off his legs. The people at the Salvation Army will not listen to me when I have complained and take it as a joke. The walls are very thin and there is no privacy. The facility is at 35 W Owens Ave , North Las Vegas, Nevada. The facility is located, in the worst area in Las Vegas, I have been harassed by the people around the vicinity as well. I do not want to be at this facility, but the North Eastern clinic on Charleston Ave. will not move me to another facility. I was housed at HELP USA on Bonanza St. and McKnight before, I was kicked out of there for my unemployment check having the 300\$ extra from the Federal money. I have a Honorable Discharge and have a clean criminal record. I want to know what information the VA has on me, if I am part of an experiment or I am being controlled in some way by the Salvation Army or the Las Vegas Northern clinic.	-	-

(b)(6) - Hines VA Office of Community Care Chief a. 2021 Clinical Nurse Manager interview and hiring process. I was not selected which I believe is due to retaliation for the disruptive behaviors that myself and dozen others reported against Chief (b)(6). I was interviewed and was told by Chief (b)(6) that two others that were interviewed scored higher but did not accept the position and instead of offering it to me she requested HR to repost the position for a detailed CNM opportunity instead. Furthermore, I applied for the detailed CNM position and another one of my peers was chosen instead despite that I have been in the department longer, been a nurse longer, and been in leaderships longer. b. Also, all statements and interviews relevant to the AIB investigation from 2019-2020 and a second AIB investigation from Summer of 2021 to present. It is unfathomable to have dozens of reports against Chief (b)(6) for disruptive behavior and staff concerns for psychological safety and yet she still remains in that position of authority to continue this behavior and poor leadership. The FOIA response shall include all notes, messages, emails, text correspondence, reviews, and finding related to the investigation.	-	-

VBA 101 - VA Central Office (VACO)	22-00570-F	10/22/2021	-	I hope your week has been going smoothly. I have ran into an issue with my hiring regularization and I would like to request my records so that I am better able to represent myself. Evidently, I was originally hired "illegally." I received a normal raise as anyone would after the one year mark. However, the VBA is alleging that since my hiring wasn't regular, that I am not due the raise. There is now a possibility that they will issue me a debt for the raise that I was given, even though I met the requirements for the raise (meeting my standards of production and qualifying for the raise because I was doing the job for which I was hired). My paperwork is sitting with OPM right now, but I would like to have my own paperwork for my records.	-	-
